

## **Chairman of the Board**

### **Johnny Miller**

Johnny Miller serves as the President of the Robert F. Greene Chapter of the 555th Parachute Infantry Association, Inc. A decorated veteran of the Vietnam War and a Purple Heart recipient, Johnny has led the chapter with a focus on strategic vision and a deep commitment to veteran welfare from 2017 to 2019 and 2024 to current.

Under his leadership, the chapter has expanded its reach through vital community service initiatives. Johnny is a key leader in the Veterans Ministry at his church and has been the driving force behind the organization's regional food drives and JROTC educational presentations.

His leadership ensures that the "Triple Nickles" legacy of service remains a living, breathing force in the Atlanta area, bridging the gap between historical honor and modern community support.
