

## **Operations Administrator & Director of Development**

### **Farrell Martin**

Sergeant Major (Retired) Farrell Martin serves as the Administrator and a Board Member for the Robert F. Greene Chapter of the 555th Parachute Infantry Association, Inc. A retired U.S. Army Trooper with over 23 years of active-duty service, Farrell brings a high-level expertise in Operational Readiness and Force Sustainability to the nonprofit sector.

Throughout his tenure with the chapter, Farrell has served in nearly every key leadership capacity, including terms as Chapter President (2021), Vice President, and Treasurer. Today, he oversees the organization's daily operations, grant compliance, and the coordination of a dedicated 50-person volunteer force.

Farrell is the primary architect of the chapter's "Holistic Stabilization Model," applying his military background to create structured, sustainable support systems for veterans and their families. His leadership is defined by a commitment to preserving the "Triple Nickles" legacy while ensuring the organization remains a modern, high-impact resource for the Atlanta veteran community.
